## LED G25 Globe

An LED G25 Globe for Vanity and bath bar fixtures. It consumes only 8 Watts and replaces a 40W incandescent bulb. The result; up to 90% savings in energy. The bulb has a life of 25,000 hours at L70 standards. Lumen maintenance is enhanced by the integrated thermal management system.

### FEATURES:

- Lumens: 3000K: 415 Lumens
- 8 Watts
- 25,000 Hour Life (L70)
- 80 CRI
- Solid aluminum housing for thermo heat protection
- 5 Year Warranty
- Fully Dimmable
- Saves up to 90% energy and operating costs
- Suitable for damp locations
- Energy Star Qualified

### CONSTRUCTION:

**LEDs:** All LEDs are matched for color and CRI. The stated 25,000 Hour life is based on functional light quality. After 30% lumen depreciation MaxLite considers the functionality of the lamp to be ended. That is end-of life. Even though the lamp is still at 70% of initial lumens.

**Housing:** The body of each lamp is solid aluminum. The aluminum acts as a heat-sink providing thermo heat conductivity. This keeps the LED junction temperature well below the manufacturer's specification. The lamps stay cool and the lumens are maintained for longer life.

**Base:** The G25 has a standard E26 Base.
