## 25 YEARS OF LIGHTING EXPERTISE

MaxLite has provided certified energy-efficient lighting solutions to the commercial, industrial and residential building markets since 1993. We are a five-time recipient of the prestigious ENERGY STAR<sup>®</sup> Partner of the Year Award for our industry leadership, and continue to be at the forefront of energy efficient technologies through the innovative research and development capabilities of our teams and facilities in New Jersey, California and Indiana.

## WARRANTY ASSURANCE

MaxLite is capable of offering extensive warranties because we use the highest quality LED chips and drivers available. Our products undergo rigorous product testing and verification by our NVLAP- and UL-accredited laboratories and accredited third-party testing partners.

Products must be registered within 90 days of purchase or 30 days of installation (whichever comes first). Exclusions and limitations apply. Complete terms and conditions are available at [MaxLite.com/warranties](http://MaxLite.com/warranties).

## FAST DELIVERY

MaxLite keeps its products in stock and available for immediate purchase and delivery on standard orders.

## CERTIFICATIONS

Most MaxLite LED products are listed on the Design Lights Consortium<sup>®</sup> (DLC) Qualified Products List, making them eligible for utility rebate incentives.

## PERSONALIZED SERVICE

We work with our customers to ensure our products meet their installation goals, and remain by their sides long after. MaxLite provides a full range of complimentary services, including:

- Facility audits
- ROI calculations
- Utility rebate assistance
