

**Questions & Answers from MaxLite's April 28<sup>th</sup>, 2011 Webinar:**

**"Upgrade Outdoor Lighting To Greener Options"**

---

**Sid Phillips:** Sockets on canopy are usually med base, is 80 watt high max available in med base?

**MaxLite:** 80W HighMax comes standard with a medium base

---

**Michele Sterling:** Based on a 20FT mounting height, what wattage MH wallpack would your standard 30W and 40W LED wall packs replace?

**MaxLite:** At 20' the MaxLite 30W would perform like a 120W MH lamp and the 40W would perform like a 150W MH lamp.
