

Questions & Answers from MaxLite's September 29th Webinar

"DesignLights Consortium (DLC) Product Certification Increases Your Bottom Line"

Special Guests: Jon Linn, PE, LC – Commercial Programs Manager at NEEP
James Steedly – Manager of Product R&D & Engineering at MaxLite

Mary Nathan from California: what is the link that will take me to Maxlite webinars carried out in the past?

MaxLite: Mary, our webinar library is located at:
<http://maxlite.com/MaxLiteWebinarLibrary.html>

Jon Linn from NEEP, DLC: Just an update: the DLC qualified products list is now public. Download it at www.designlights.org

Dan Mc Daniel from Houston: Has our 40 watt Garage fixture MLGAR40LED50 been DLC listed?

James Steedly from calif: it has been submitted last week should be listed early October.

KEITH MOLLOY: What is the typical turnaround time for a fixture to be listed on DLC after submittal?

Jon Linn from NEEP, DLC: Once we receive a full and complete application we will turn around qualification in 2 weeks.

James Steedly from calif: generally I have experienced 2 week turn around

Christopher Hinshaw from Indianapolis: Can we get the site address for more information on DLC once more?

Jon Linn from NEEP, DLC: Once again, DLC is at: www.designlights.org

E Lewellen from United States: Thanks for a lot of info in a short time

MaxLite: Carol: Thank you very much, we try!

Fadi from Lake Forest, CA: I can help if anyone needs testing to join DLC

James Steedly from calif: Fadi please call me I am interested in other accredited testing houses

Fadi from Lake Forest, CA: My number is 949 360-6806 or
fadi.alawi@intertek.com

Ila Turkovich from Dallas Tx: Looking forward to other webinars you might present

MaxLite: Thank you, we appreciate it and will look forward to having you attend!
