**Q:** Where will these poles ship from? And what type of availability?

**A:** The poles will be in stock soon and we will announce it in the MaxLite Minute and our website. We will have stock of most of the poles while some will be made to order. This will be stated on the datasheet. The poles will ship from our local warehouses on both East and West coasts.

---

**Q:** Do you take orders for Export as well?

**A:** Please reach out to your inside sales person or rep for Export deliveries. This may be an option we can work out with our Operations team.

---

**Q:** Will we have any outdoor that will qualify for C1D1?

**A:** Yes, C1D1 is in the works right now, but cannot provide any specific information. Feel free to email me at [sparikh@maxlite.com](mailto:sparikh@maxlite.com) and I can get you some basic specs.

---

**Q:** We have been waiting for poles, what kind of base cover do you offer?

**A:** We offer the standard square base cover plates to compliment the 4" and 5" square and 4" round. All poles will be offered in bronze, black and white
