

TRANSFORM THE WAY PEOPLE EXPERIENCE LIGHT

Our company vision guides every aspect of the MaxLite business, from the innovative products we provide, to the lifetime commitment we make to our customers.

OVER 25 YEARS OF LIGHTING EXPERTISE

MaxLite has provided certified energy-efficient lighting solutions to the commercial building, residential and OEM markets since 1993. We are a five-time recipient of the prestigious ENERGY STAR® Partner of the Year Award for our industry leadership, and continue to be at the forefront of energy efficient technologies through the innovative research and development capabilities of our teams and facilities in New Jersey, California and Indiana.

Our customers include global leaders in manufacturing, education, health care, hospitality and retail. Our products illuminate businesses of all sizes, in addition to national landmarks.

WARRANTYMAX 10 YEAR WARRANTY PROGRAM

MaxLite gives lighting customers automatic 10-year warranty coverage on most commercial and industrial LED fixtures! The 10-year warranty covers materials and workmanship from the earlier of the actual installation date, or 90 days after the original date of purchase from a MaxLite authorized distributor/dealer. In addition, products with a 10-year warranty qualify for a \$25 labor allowance per unit (registration required).

MaxLite also provides the opportunity to expand our industry-leading warranty coverage through the purchase of an extended warranty. Complete warranty terms and conditions are located at: <https://www.maxlite.com/warranties>

CERTIFICATIONS

As a result of our dedication to achieving the highest product performance standards, most MaxLite LED products are certified by ENERGY STAR® and DesignLights Consortium® (DLC) qualified, rendering them eligible for utility rebate programs. MaxLite also offers a large selection of lamps and luminaires that are Title 20 and Title 24 JA8 listed.

FAST DELIVERY

MaxLite keeps its products in stock and available for immediate purchase and delivery, shipping within the United States in two business days on standard orders.

PERSONALIZED SERVICE AND SUPPORT

We work with our customers to ensure our products meet their installation goals, and remain by their sides long after. MaxLite provides a full range of complimentary services, including:

- Facility audits
- ROI calculations
- Utility rebate assistance
- Lighting layouts
- Technical support
- Lifetime product support
